

## Emperors of Soul

They're one of the hottest male vocal groups of the moment – the sensational Emperors of Soul - direct from appearing in the semi-final of BBC 1's "Your Country Needs You" and Party in the Park at Hyde Park in London.

Their stunning performance includes an incredible tribute to The Temptations, a selection of classic Motown and other evergreens including Uptown Girl, Patience, Love Train and Kiss. These four West End performers have created an amazing show of mesmerizing harmonies and stunning choreography. With their great live band, their show is a real spectacle not to be missed.

*"I have no doubt about your talent; I have no doubt about your future" – Andrew Lloyd Webber*

*"They can do everything, they can deliver the whole package" – Arlene Phillips*

*"The boys were great – I love your harmonies" – Lulu*

*"You look gorgeous, you can hear your vocal depth" – Emma Bunton*
